The thin design requires the support of a vanity unit below the solid surface top.
 All wash basins are supplied as standard with one tap hole and overflow unless otherwise specified.
 The products have size tolerance of +6/-0 mm. we therefore recommend that all wash basins are ordered over-size by 2 mm.
 Please note: the centre of the bowl must align with the centre of the vanity.
 Made to measure products cannot be cancelled, or returned once signed order has been placed.
 Measurement: Wash basin max 2400 mm x 405/505 mm
 Table top max 2400 mm x 600 mm
