NB:

- Product design requires the support of a vanity unit below the basin.
- All basins are supplied as standard without tap hole unless otherwise specified.
- Measurements: max 2400 x 405/505 mm.
- The basins have a tolerance of +6/-0 mm; we recommend that all basins are ordered 2 mm wider than the furniture setting.
(e.g. 1602 mm total width to suit 2x800 mm units)
- Centre of the basin must be aligned with the centre of the vanity unit.
- Bespoke products cannot be cancelled or returned after the signed order form is received.
- Please be aware that the warranty no longer applies if adjustments of the construction and/or the design are made.
